PRESIDING OFFICER: (SENATOR DUDYCZ)

State your point, Senator.

SENATOR HENDON:

Since there was a brief pause in the action, I wanted to remind the Members that -- or, inform the Members that the House of Representatives I met -- I ran into some of the Members this morning. They had softball practice yesterday, in the cold. So they're very serious about this game coming up. And I wanted to bring that to our -- our manager and coach and captain Frank Watson's attention, because they did practice yesterday.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Watson, what purpose do you rise?

SENATOR WATSON:

You know, I really appreciate Senator Hendon's concern of my

-- my lack of leadership on the -- as the coach of the Senate softball team, and I'll be making out the lineup shortly, and there may be one name that's left off. We do have a -- we do have a practice scheduled for tomorrow, and I -- and I am concerned about the House and their intensity in this particular year. They are tired of getting beat. We've beat 'em every year for the last -- since 1992, and we continue to prevail - and we will. But we have to do this with practice, and -- and I know that everybody will be available tomorrow at 5 o'clock and -- and tomorrow's -- and we'll announce tomorrow where that practice will be. Another point I'd like to make, Mr. President, if I might...

PRESIDING OFFICER: (SENATOR DUDYCZ)

State your point, Senator.

SENATOR WATSON:

I hope that all of you had an opportunity to have lunch on the U.S. 51 Coalition. They had hot dogs and chili and drink outside our Chambers here today, and I want to thank them for doing that. This -- the issue is U.S. 51 south of Decatur, and it primarily

goes through parts of, obviously, Macon County, Fayette County in my district, Christian County in Senator Demuzio's district,

Marion County in my area, and also into Jefferson County in Senator O'Daniel's district. So we are just trying to heighten the awareness of the Members of the General Assembly and staff as to the importance of U.S. 51 south of Decatur and it -- what it means to the economic viability of our region. And I want to thank the people of the various communities that were represented today and thank them for providing lunch for all of our Members.

PRESIDING OFFICER: (SENATOR DUDYCZ)

We will now be going to the Order of House Bills 3rd Reading. If the Members would turn their attention to the middle of page 6. Will the Members please take their conferences off the Floor. SENATOR WELCH:

I have a question of the sponsor.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Sponsor indicates he will yield. Senator Welch.

SENATOR WELCH:

Senator, does this bill create a fine for the false report of Asian longhorn beetles? Is that...

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Sieben.

SENATOR SIEBEN:

The -- the fine is for someone falsifying documents, for somebody who intentionally falsifies documents relative to the control mechanisms of the Asian longhorn beetle.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Welch.

SENATOR WELCH:

So if I have some beetles in my trees and I report that, I could be fined, if -- if I -- if I detect the wrong kind of beetles? Is that what it is, or is it some other document?

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Sieben.

SENATOR LAUZEN:

Thank you, Madam President. Just a question for the sponsor.

PRESIDING OFFICER: (SENATOR KARPIEL)

He indicates he'll yield.

SENATOR LAUZEN:

Certainly, I -- I support the legislation. It's good. I have the pleasure of serving the -- the -- the Mooseheart, the -- the orphanage, and then also the Moose organization. Is the Moose organization in this bill?

PRESIDING OFFICER: (SENATOR KARPIEL)

Senator Weaver.

SENATOR WEAVER:

The answer was no.

PRESIDING OFFICER: (SENATOR KARPIEL)

Senator Lauzen.

SENATOR LAUZEN:

Okay. Is there -- were they either initially in or have they been taken out or can you give me any background on that, Senator?

PRESIDING OFFICER: (SENATOR KARPIEL)

Senator Weaver.

SENATOR WEAVER:

I understand that -- that other organizations are being addressed in another bill.

PRESIDING OFFICER: (SENATOR KARPIEL)

Any further -- oh! Senator Jones.

SENATOR E. JONES:

Yes. Thank -- thank you, Madam President. I join in support of House Bill 3169. It is a good concept. As relate to the previous question, 'cause those individuals came to me as well, and I think those issues will be addressed in other legislation. They were not taken out of the bill; they were never in the bill itself and -- to clear the record. So it's a very good piece of legislation and I urge a Aye vote.

Senator Clayborne.

SENATOR CLAYBORNE:

Thank you, Madam President. Basically, all House Bill 3293 does, it replaces the Treasurer as the Chairperson of the Illinois Community Development Finance Corporation and replaces her with the Director of DCCA. And basically, the problem was she wasn't

able to make the meetings and she didn't want to be the -- the Chairperson anymore. So that's what this bill does. I'm open for any questions.

Any discussion? If not, the question is, shall House Bill 3293 pass. Those in favor will vote Aye. Opposed, vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? (Secretary reads title of bill)

3rd Reading of the bill.

PRESIDING OFFICER: (SENATOR KARPIEL)

Senator Petka.

SENATOR PETKA:

Thank you, Madam President and Members of the Senate. House Bill 3406 is the legislation which basically removes a -- a sunset provision of July 1st, 2001, and extends it indefinitely. This is to -- this -- this legislation, which was passed six years ago, was placed on the books in -- in response to a peculiar situation within the legislative -- my legislative district, and Senator Walsh, dealing with Chaney-Monge School, which services Stateville Penitentiary. As a result, almost half of the school district has properties that are owned by the State of Illinois. This tax equivalency grant basically would permit, or has permitted over the last five years, a payment from the State to make up for the loss of revenues that would have been generated as if there was normal development in the area. And additionally, there are

program for their membership that's involved in accidents that cause great bodily harm or -- or that could cause any trauma. And all they have to do now - and the rail carriers are okay with this - is actually come up with a counseling program and submit it to the ICC for everybody to look at and to know that, in fact, these carriers have a program in place. This was a work in progress by some of the people involved. The United Transportation Union and the Brotherhood of Locomotive Engineers did a very, very good job for their membership and this is the product of their work, and I'd ask for a favorable roll call.

Senator Molaro, I was a little thrown off when I saw you rise to sponsor this legislation, since -- I was reading the Calendar.

We have fifty-seven bills that are on 2nd Reading or 3rd Reading, and five of them are sponsored by Democrats. So I was wondering why you were sponsoring this bill, why you didn't give this bill up to one of the Republicans to be the sponsor.

Thank you, Madam President. House Bill 3990 was initiated by Warren Township in Lake County and the Lake County Division of Transportation. It provides for the establishment of special service areas for certain privately owned or maintained roads in unincorporated areas and subdivisions that were platted before January 1, 1959, that are under township organization -- in counties under township organization. It provides for the county to be able to plant -- do plantings along highways similar to what the State does currently. It also permits the county highway department to temporarily close roads for special events, basically the same as the State of Illinois can. Currently, we have a problem that's the reverse of this, and these are cigarettes that are manufactured in the United States but are intended for export only. They have different packaging requirements than we do in the States. They have a different warning label from the U.S. Surgeon General, and they are going out and then coming back and being sold without the proper tax stamps.
